by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 49, Chapter 1, Part 10, is amended by adding the following language as a new section:

By July 1, 2017, and each July 1 thereafter, the department shall provide a report to the education committee of the senate and the education instruction and programs committee of the house of representatives, regarding the physical education programs and activity for each LEA. The department shall publish the report on the department's web site. Upon the release of the report, the department shall encourage each school to use the results of the report and comparison to other schools in helping develop the school's overall wellness plan. In compiling the data used in the report, the department may use assessments developed by a nationally recognized nonprofit heart association.
